

REMARKS

Claims 1, 4, 6, 7, 10 and 62-72 are in the application for consideration, and are allowed.

There remains a PTO Form-1449 properly submitted by Applicant which the undersigned has yet to receive an initialed copy from the Examiner. Specifically, at the time of application filing, Applicant submitted an Information Disclosure Statement. A duplicate copy of that Information Disclosure Statement, including the PTO Form-1449 and the reference referred to therein, is included herewith. It is respectfully requested that the Examiner initial the enclosed Form-1449 and provide the undersigned with a copy of the initialed PTO Form-1449.

An amendment is made herein to the specification. A typographical error which is corrected was only discovered in December 2003, and accordingly could not practically have been made earlier. Entry of this amendment is requested.

Respectfully submitted,
